

## TMS Newsletter Summer 2016

---

Greetings!

We are proud to announce we have a new website -- our revamped TMS Site should be live in Q3! The site will have a different look and feel. Content remains largely the same in public areas. In the revamped site, Members Only will have access to past program materials, reading recommendations from other Members, resource information for Members, and the ability to update their own profile. We will be sending out an announcement with details and instructions when we are live!

Sincerely,

***TMS Board of Directors***
